Dear Mr. Oord

I hope this email finds you well,

My name is Saeed Shurrab, a Data Science and Artificial Intelligence master student at Jordan University of Science and Technology.

I am working on a survey paper on self-supervised learning applications in medical imaging. I dedicated a part of my survey to the self-supervised learning methods in computer vision.

Among those methods I discussed in my survey is your paper:

Representation Learning with Contrastive Predictive Coding

I need to include (Figure 4: Visualization of Contrastive Predictive Coding.....) in your paper to my survey with the proper citation as an illustration of the method.

So, I need your permission to use this figure in my survey as-is.

Please give me your decision in this regard by replying to this email.

Looking forward to hearing from you soon.

Kind regards
